

Paleo ECR India-Announcement of Working Members

Date: 08-11-2025

Issued by: Founding President, Paleo ECR India

Background

Paleo ECR India is established with the vision of creating a collaborative platform that connects Early Career Researchers (ECRs) of Indian origin in paleosciences across the globe. The group aims to foster networking, share opportunities, and organise activities such as talk series and workshops.

During our recent meetings, it was finalised to have a dedicated **Working Members** to support the day-to-day functioning and growth of the group.

Role of Working Members

- Organise and coordinate the talk/lecture series.
- Manage communication and outreach through WhatsApp, LinkedIn, and email.
- Maintain records, minutes, and documentation.
- Support speaker coordination and Technical Logistics.
- Contribute ideas to increase participation and strengthen the community.
